The DECONIX DIGITAL collection is compatible with latex, solvent, eco solvent and UV curable ink printing techniques and provides limitless creativity for custom made wallpaper products. This collection comes with non-woven or paper-based options and offers creative interior design ideas for hotels, restaurants, offices, homes, hospitals, and stores.

The Key To Limitless Creativity

The DECONIX DIGITAL brand brings a fresh breath of air and dynamism to the wallpaper industry with its internationally accredited products. We have a high production capacity with extensive experience in vinyl coated wallpaper production.

The growing DECONIX DIGITAL family now includes the following products: **DECONIX SELECT** offers a better touch and exclusivity with its 350 GSM weight. **DECONIX PEARL** opens the door to a shiny and luxurious world. **DECONIX PRO** creates a privilege in the contract market with its unique scratch resistant formula and 400 GSM weight.
